A Message from Mayor Annette Iafallo...

In addition to the coronavirus update provided earlier today, I have a few more brief updates to share:

Sadly, due to the coronavirus ...

– Lackawanna's Shortest Saint Patrick's Day Parade scheduled for noon on Tuesday, March 17 has been cancelled. Better to be safe than sorry.

– The Lackawanna City School Board has suspended all recreational activities at the high school until further notice, to include the Soccer for Success and Open Swim programs.

Detailed updates regarding the coronavirus from the Center for Disease Control (CDC) and the Erie County Health Department are available via local news outlets.

In addition

– The public hearing that was scheduled for Thursday, March 19 at the Senior Center has been cancelled.

– Ridge Road has always been a one lane road – signs are posted and striping will be completed in the spring.

Thank you.
